## HALOX® and BASF formulate success!

RUST IS AT IT AGAIN!  
I MUST ACHIEVE MAXIMUM  
CORROSION RESISTANCE,  
BUT I CAN'T DO IT ALONE!  
IT LOOKS LIKE I WILL HAVE  
TO CALL ON JONCRYL® 1522  
FOR HELP!

Is corrosion compromising the appearance and performance of your industrial coating ?

HALOX® teams up the World's leading chemical company to take on corrosion and enhance the way we look at industrial coatings.

If you're looking to maintain your coatings gloss and achieve excellent corrosion resistance -- HALOX® and BASF have formulated your solution!

Check out our Low VOC primer formulation using Joncryl® 1522 in combination with HALOX®'s anti-corrosive chemistry. It will withstand the tests of time.
